- 55 Gal. Drum Item #33655-00
- 2 - 2 L Fast Draw Item #336B2-00

Directions for Use

Not effective against rust stains. Dilute with cold water only. For GENERAL PURPOSE dilute 1:32 - 1:64 oz or 4 oz./gal - 2 oz./gal depending on soil level. Spray and wipe. GLASS: Dilute 1:64 or 2 oz./gal. Spray and wipe. SHOWERS: Dilute 1:32. For large areas use a portable pump up sprayer. Spray on tile, grout, fixtures and tub surfaces. Let stand for 5 minutes and rinse. For heavier stains agitation with a brush or sponge may be necessary to completely remove the stain. FLOORS: Dilute 1:64. Add directly to grout scrubber for removal of mold stains, soap scum, hard water deposits, or other common restroom soils. CARPET SPOTTING: Dilute 1:10 or 12 oz/gal. for heavy soils, dilute 1:20 or 6 oz./gal. for light to medium soils. For coffee as well as other water based stains. Apply a small amount of liquid to the stain. Agitate with a bone scraper and let stand for 3 - 5 minutes. Blot dry and rinse with clean water. Repeat as needed until the stain is completely removed. Improper use or dilution of this product may affect cleaning performance, result in excess waste or may damage surfaces also may increase risk of health effects. Gloves and goggles recommended personal protection equipment. Please consult your local solid waste agency, drain commissioner, or water quality contact for determination on appropriate disposal of unused material. Please recycle empty containers.

EPA certification does not constitute endorsement of this product. The Safer Choice label or Design for the Environment logo signifies that the product's formula, as Betco Corporation has represented it to the EPA, contains ingredients that meet stringent EPA criteria for effects on human health and the environment. EPA relies solely on Betco Corporation its integrity and good faith, for information on the product's composition, ingredients, and attributes. EPA has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Betco Corporation non-ingredient claims. EPA provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice and Design for the Environment Standard and based on currently available information and scientific understanding
