Handi-foil of America
2015 - 2016 CATALOG

To Our Valued Business Partners:

As we begin 2015, Handi-foil of America enters one of the most exciting times in our company's history. Our company continues to flourish, expand and innovate giving us the competitive advantage in the markets we serve. With the complete commissioning of our new Naperville, IL facility in 2013, Handi-foil of America is poised to extend our leadership role in our respective industries. This state-of-the-art expansion has enabled us to exceed our goals and together with our Wheeling, IL facility, Handi-foil now has over 1 million square feet of manufacturing and warehouse space to support future growth in the coming years.

The driving catalyst of our success has been our dedication to innovation and commitment to meeting the evolving needs of the marketplace. While competitors focus on other materials, Handi-foil remains firmly committed to the aluminum category. With the introduction of products like our new Tru-Fit™ 1/3 Size Steam Table Pan, Handi-foil consistently brings products to market that are revolutionary to the industry and unique to our company. This distinctive container, with multiple patents pending, fits perfectly into our Full Size Steam Table Pan, offering an improved presentation for any caterer while addressing and solving a long standing industry challenge. Another innovation was a Vented Steam Table Lid for the Half Size Steam Table Pan. Upon introduction, both products gained rapid acceptance as caterers immediately recognized the benefit from each product's exceptional features.

These product introductions further demonstrate our company's position as the most innovative and progressive aluminum manufacturer in the marketplace. Through these product enhancements and others from past years including successful product lines such as Steam Savers™, JIF-Foil® and the expansion of our Gourmet-To-Go® line, we have led the foodservice industry to new heights in product quality and advancements. All of these innovations have been developed by listening to our customers and designing product solutions that fulfill their needs.

We recognize that our accomplishments could not have been possible without our loyal and devoted customers and for this we are extremely grateful. It is through your commitment and trust that our organization exceeds market expectations and drives impactful change across the industry, now and in the future.

Please review our new 2015 catalog and contact any member of our Handi-foil sales team to assist you with any of our products and services.

Sincerely,

Brad Sarnoff
Executive Vice President

ORDERING INFORMATION - EFFECTIVE JANUARY 1, 2015

Terms: Net 30 Days

Price Changes: Prices are subject to change without notice. Orders will be shipped at prices in effect at time of shipment. Orders can be accepted only by HFA Inc. at its office in Wheeling, Illinois and do not become binding on HFA Inc. until they are accepted by the Sales Administration Manager or his authorized agent.

Freight: All orders of 5000 pounds or more shipped to one location within the continental limits of the United States are shipped freight allowed (pre-paid).

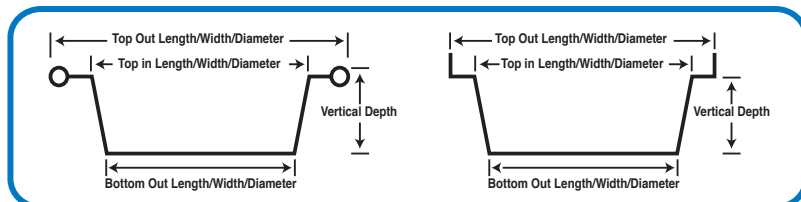

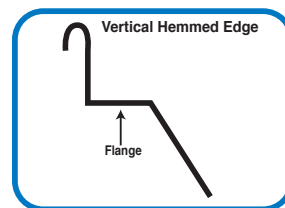

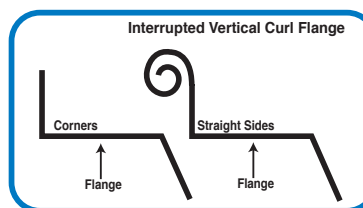

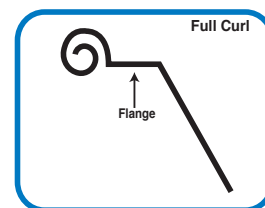

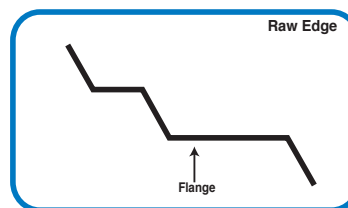

Claims: All shipments are F.O.B. factory. All shortages or damages are the responsibility of the consignee and should be reported immediately to the carrier.

Minimum Order: 1500 pounds F.O.B. factory. A "Below Minimum" charge is assessed on orders that are less than 1500 pounds.

Returned Goods: Written factory approval must be obtained prior to the return of any merchandise for any reason. All merchandise must be in resalable condition and in original factory cartons. All goods to be returned freight prepaid and are subject to a 25% restocking charge. No obsolete, discontinued or merchandise over one year old will be authorized for return.

Pricing: Prices subject to change without notice.

Gauge Tolerance: Aluminum foil products are produced to gauge within commercial tolerance of plus or minus 10%.
