## GREEN OFFERING

### GREEN OFFERING

**Environmentally responsible cutlery!** Biodegradable cutlery is the ecological alternative. Visually, this cutlery closely resembles traditional cutlery except that it incorporates a very high percentage of natural renewable material. Hence it decomposes rapidly when discarded and has significantly less of an environmental footprint.

Our line of compostable cutlery will please the most eco-friendly customers. Made from organic material, it is 100% compostable. Ideal for outdoor events, camping and summer camps!
