## benefit

Tork Elevation dispensers simplify and complement any environment, providing a clean, hygienic appearance. Our new design ensures easy and intuitive maintenance, refilling and use. The Tork Xpress Dispensing System for interfolded hand towels works best for environments that demand both comfort and hygiene. Tork Xpress Mini fits where other dispensers can't. Measuring just 12" high, the Xpress™ Mini is perfect for wall areas where space is at a premium. The one-at-a-time dispensing means you touch only the towel you use - no cross-contamination from levers or cranks. Plus the hygiene shield protects your towel until used. It is easy to clean and refill.
