benefit

The new, versatile, space saving Xpressnap® Signature In-Counter Dispensing System helps you make the most of every napkin. With variable depth options, our innovative design is ideal for high-traffic areas or wherever space is at a premium. Xpressnap greatly increases personal hygiene and cuts waste by delivering one napkin at a time, every time. Its one-at-a-time napkin dispensing design ensures that patrons use fewer napkins and touch only the napkin they use. Just drop it into a new or pre-existing counter opening and it's good to go.
